

Bug Off Instant Screen / 2045 Burton Dr. Cambria, Ca 93428 / 888-342-5270 / www.bugoffscreen.com

- **Keeps bugs out.** Lets fresh air in.
- **Installs in minutes. No tools.** No hassle. No damage to your door frame. It's so easy, just about everyone can install a *Bug Off Instant Screen Door*.
- **High quality,** attractive and durable.
- **Works on all doors** - Single doors, French doors and sliders.
- **Provides magnetic hands-free entry and exit** for you, your children, guests and pets. Walk through with your hands full and Bug Off automatically snaps closed behind you.
- **Makes any door a pet door.** Your pets can let themselves in and out, so you don't have to.
- **Great for kids.** No more screens accidentally left open. No more slammig screen doors.
- **French door owners save hundreds** and enjoy our convenient features. Choose from two designs (in multiple sizes).
- **Completely portable and storable.** Move it from door to door, or take it to your vacation home. Use it year-round, or temporarily, when and where you need it. Space saving design allows for easy storage at seasons end.
- **Great for parties and barbecues.** High traffic is no problem and you can be sure no one leaves the screen open, to allow bugs in.
- **If you're not allowed to put up a screen door where you live,** Bug Off Screen is the solution. It was originally invented for apartments and condos, where standard framed screen doors are not allowed.
- **No-questions-asked** money back guarantee.
